Important Dates

Paper Submission Deadline

17 August 2026

Acceptance Notification

30 August 2026

Camera-Ready Submission

15 September 2026

★ About iSES 2026

iSES 2026 provides an international platform for researchers and practitioners from academia and industry to present advances in Smart Electronic Systems. The symposium focuses on innovations in hardware, software, AI, IoT, cyber-physical systems, security, data analytics, and emerging technologies that enable intelligent, efficient, and sustainable solutions for applications such as healthcare, energy, agriculture, industry, mobility, and smart infrastructure.

The conference aims to foster collaboration and showcase research that advances next-generation computing, sensing, communication, and intelligent electronic systems.

⚙️ Technical Tracks

- ✓ Nanoelectronic VLSI and Sensor Systems (NVS)
- ✓ Energy-Efficient & Reliable VLSI Systems (ERS)
- ✓ Hardware/Software for Internet of Things & Consumer Electronics (IoT)
- ✓ Hardware for Secure Information Processing (SIP)
- ✓ Hardware/Software for AI, Robotics & Automation (AIR)
- ✓ Cyber Physical Systems & Social Networks (CSN)

★ Highlights

- | | | |
|-------------------|------------------------------|-----------------------------|
| Best Paper Awards | Student Research Forum (SRF) | Research Demo Session (RDS) |
| Keynote Talks | Tutorials | Expert Panels |
| Special Sessions | Women in Engineering (WIE) | Student Travel Grants |

Submission Guidelines

- ✓ Original and unpublished research
- ✓ Maximum 6 pages
- ✓ IEEE-CS Double-Column Conference Format
- ✓ High-quality contributions from academia and industry are welcome.

Conference Venue: Goa, India

iSES 2026 will be hosted at National Institute of Technology (NIT) Goa, located in the picturesque state of Goa, India. Recognized as one of India's premier international conference destinations, Goa offers an excellent academic environment complemented by its scenic beaches, rich cultural heritage, vibrant tourism, and warm hospitality, providing an ideal setting for learning, networking, collaboration, and innovation.
